Mission

The City of Lincoln believes that discrimination is wrong and that it must be eliminated. Therefore, the LCHR (Lincoln Commission on Human Rights) is charged with the mission of eliminating and preventing all forms of illegal discrimination and to assure and foster equal opportunity for all citizens of the City.

The LCHR is the primary City Agency that has the responsibility for the remedy of discrimination complaints brought by individuals. Any remedy pursued by the LCHR will be based on the enforcement authority of the Equal Opportunities Ordinance which provides a fair and impartial process for resolving charges of discrimination.

The LCHR also provides community education and technical assistance in order for people to know and understand their rights and responsibilities under the law.

The Equal Opportunities Ordinance

In 1966 the City of Lincoln adopted an Equal Opportunities Ordinance which prohibits discrimination in housing, employment, and in the use of public accommodations.

Coverage includes:

- ◆ **sex**
- ◆ **age**
- ◆ **race**
- ◆ **color**
- ◆ **religion**
- ◆ **national origin or ancestry**
- ◆ **disability**
- ◆ **retaliation**
- ◆ **marital status**
- ◆ **familial status***

**covered only in regard to housing*
